Personal Profile

I am a second year student currently seeking placement for 2020 . I have a keen interest in User Experience, and using research to better the experience of an application for the user. I also enjoy User Interface Design, and building brands.

Experience

Portfolio website

I have created a single page portfolio website using html and css. To sell myself as a UX/UI designer. I am currently in the process of finishing a multiple page site which is hosted online.

Skills : UI, UX, Wireframing, HTML, CSS
Software: XD, Illustrator, Brackets.

Belfast Design Week-Urban Design Challenge

I have taken part in this years Urban Design Challenge to re- imagine Belfast city-centre.
I worked in a group with two people from differing design backgrounds , and collaboratively created a concept called "Pocket Park Plus". An expandable park project with immersive AR technology.

Skills: Wire framing, Sketching, Teamwork, Field Research (Interviewing people in the streets.)
Software: Illustrator, Lumino, Premiere.

Other Experience

Costa Coffee - Barista

Working in Costa Coffee involves tasks such as food and drink preparation, dealing with customer-care, looking after the store. I was recently offered a promotion to team leader.
Skills : teamwork, working with money.

Education

BDes Hons Interaction Design Ulster University Belfast: 2018 - present

Modules for year one include: Interaction Design Fundamentals, Communication Design, Exploring Identity, Imaging and Data Visualisation, Designing with Content, and Creative Entrepreneurship.

BA Hons Foundation Year for Specialist Degrees: 2017 - 2018

During this year I chose to specialise in both Interaction Design and Product Design. Through choosing Interaction Design as a Specialist Degree and a career I am able to design products, whilst using my love for both user experience and interface design.
